Mantep cuk premium akun ne karo lisensi sesasi. Hi I got this awhile back, was a bit wobbly at first but I'm used to it now. I like the ability to go pretty much where i like, fish from the kayak, or the shore, or land the kayak. then fish I would recommend this, i got on promo when first released, adds a new twist to things and although not perfect it's pretty good. Don't forget if you buy this DLC, the kayaks will be in your home storage, you must go home and put in your backpack, well. under your paper doll in your inventory, this will replace the for rent kayak on the available maps. I hope to see more maps unlocked for this, more

chilling out fishing. like all the DLC for fishing planet, you don't need to buy anything, just be careful to earn your money at each map, stay a few days, make a profit and then travel. Youtube guides will help. Grab a DLC or 2, see what you like, i think this one is pretty good.. Dont buy it, I didnt realize I could rent one so i bought the DLC.. I feel the DLC is overpriced but the kayak update brought me back to the game.. Dont buy it, I didnt realize I could rent one so i bought the DLC..
